Dishpack: Specially designed for dishes or any other fragile items: (lamps, statues, nic-nacs, small pictures, etc.) This container will hold up to an avg. 12 place setting. It is constructed using a 'bi-wall' concept adding additional protection to contents. (cell kit inserts sold separate)

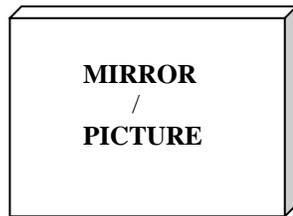

Cost: 6.40

Clothing Wardrobe: Though designed for hanging clothes, it can also be used for transporting rolled-up area rugs, artificial trees, posters and other tall profile items.

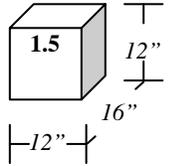

Cost: 7.60

Mirror/Picture Carton: This carton is used to pack large 'flat' items (mirrors, pictures, etc.) It can be altered to pack any size item.

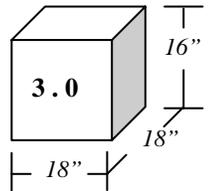

Cost: 6.20

1.5 cuft: Designed for small 'heavy' items such as books, records, weights, rocks, etc. Though designed for heavy items, it has many multiple purposes.

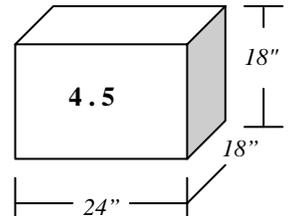

Cost: 1.40

3.0 cuft: This container is excellent for the use in packing lamp shades, clothing, linens, stereo equipment, pots and pans, shoes, toys, etc. (medium weight items.)

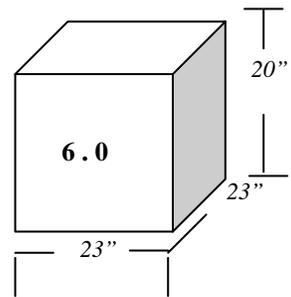

Cost: 2.35

4.5 cuft: This container is in between the 3.0 cuft and the 6.0 cuft, and can be used for light to medium wt. items (pots/pans, wicker baskets, pillows, comforters, toys, etc.)

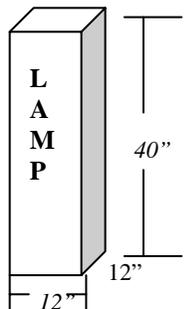

Cost: 2.80

6.0 cuft: This container is most commonly used for large light weight items. (stuffed toy animals, pillows, bed comforters, quilts, etc.)

Cost: 3.20

Lamp Ctn: Designed for narrow profile lamps (desk or floor lamps). Can also be used for other narrow profile items.

Cost: 3.50
